Leesport DINER

Almost a century after the first one opened for business, diners like this one are still going strong, even in this day of fast food and bad cuisines.

The New ***Lessport Diner*** is your kind of place because we accommodate whatever kind of eating you are in the mood for, from a snack to a feast. It's your kind of place because we made it your place. If you're in a rush, we're in a rush. If you're not, you can take your sweet time.

And that means you and your friends will be able to cover the week's gossip over a burger and some fries. It means you can feel free to linger over dessert with a date you want to get to know better.

We're proud of the food we serve, but we believe that the warm, easy - going atmosphere we provide is every bit as important to our customers as what's on the menu.

Please accept our appreciation and sincere thanks for letting us serve you.
